

## Specialist Leader of Education (SLE) Profile

### **Sarah Harris**

Key Stage One Phase Leader  
Buttsbury Infant School, Billericay

### **About me**

I have been employed in my current school for 15 years. Throughout my teaching career I have held a number of different roles and responsibilities including Mathematics, History, Geography, Computing and PE. I have been part of the school's Senior Leadership team for the past ten years.

In my role as subject leader I have led a number of CPD training sessions for staff on topics including the use of film to enhance mathematics and literacy, the use of extension activities to challenge thinking, using Computing as a cross curricular subject and e-safety. I have also led workshops for parents and most recently, implemented a new VLE for use across the school, and for children at home. As part of my role in the Senior Leadership Team I have implemented, monitored and developed assessment procedures, led moderation activities within my own and partner junior school and developed curriculum planning to continually ensure pupil progress is at a premium. I have extensive knowledge of Target Tracker, regularly use it as a tool to input data, create reports and track vulnerable groups. I regularly use the data to inform pupil progress meetings with my year groups so that intervention groups and activities can be implemented.

I have been an ITT mentor for nine years, a role I feel extremely passionate about. During this time I have successfully mentored students on their path to becoming a teacher which has given me extensive experience in lesson observations and feedback.

As a leader in my own school I am committed to ensuring our children are happy learners by raising standards of teaching and learning whilst continually reflecting on my own practice. I relish the opportunity to work with colleagues from other schools and hope to share my commitment with others.

### **NCTL Designated Specialist Areas of Expertise**

- ITT Mentoring
- Teaching and Learning
- Leadership of Continuing Professional Development (CPD)
- Year Group/Key stage One Phase Leadership and Management
- Assessment for Learning (AfL).
- Leadership of curriculum

### **Other Areas of Expertise**
