## Professional Development and School to School Support 2022-23

Dear CEO or Headteacher,

Billericay Teaching Alliance (formerly Billericay Teaching School Alliance 2012-2021) over the last 9 years has developed collaborative and strategic partnerships, and has worked with over 580 schools and Trusts across all phases and a range of organisations, engaging with teachers, leaders, administrative and support staff and colleagues through ITT, CPLD and School to School Support and Research and Development.

We are extremely proud of our achievements, realised through our partnerships, ensuring continual growth, strength and capacity. We continue to increase our Professional Development provision for 2022-23, including the number of colleagues and System Leaders engaged in supporting school improvement. We are pleased to again offer; Appropriate Body for ECT Induction, Specialist and Leadership NPQs working in partnership with Harris Academy Chafford Hundred Teaching School Hub. To take advantage of our extensive offer, please find attached our [Professional Development Ladder \(PDL\)](#) and [A3 Professional Development Provision poster](#).

The above is testament to colleagues and schools that have worked with and supported the development of Billericay Teaching Alliance. We aim to continue building on these successes during 2022-23, as we strive for excellence in partnership with all schools to enhance the life chances of all children.
