

# Secondary ECT Pedagogy Programme 2023-24 including Appropriate Body (AB) and Early Career Framework (ECF) Full Induction Programme

Billericay Teaching Alliance (Billericay TA) are continuing to offer our highly effective pedagogy training for 2022-23! As well as providing key pedagogical knowledge, skills development and essential contextual priorities, it supports ECTs in their first year towards **evidencing the Teachers' Standards** which they will be assessed against. The ECF Full Induction Programme (ECF FIP) follows a different framework linked to the Teachers's Standards.

We are working in collaboration with Harris Teaching School Hub (Harris TS Hub) Appropriate Body (AB) to provide your Appropriate Body Services for ECT Induction. If you have previously used Billericay TA as your Appropriate Body, **your ECTs will be allocated to Tony Ward and his team** when you book with Harris TS Hub Appropriate Body (see booking link below).
